About

Senior Research Fellow, Research Group on Emerging Powers and Global Development (East Asia / Pacific) (September 2014 – present) <<http://www.nupi.no/en/About-NUPI/Employees/Researchers/Marc-Lanteigne>>

Languages: English, French, Mandarin Chinese (in progress, written and spoken)

Education / Qualifications: Ph.D. McGill University, Montréal (2002)

Doctoral Degree - Political Science (International Politics/Comparative Politics), 2002.

Doctoral Thesis Title: *Doorways and Mirrors: Chinese Power and International Institutions* - defended August 2002. China's policies of engagement with international institutions, economic and strategic, and their importance in enhancing China's standing as a great power and developing global power in the evolving post-cold war international order.

Current Research Interests

- Comparative Chinese foreign policy / international relations, including regional and cross-regional institution-building, strategy and political economy
- Chinese commercial diplomacy (bilateral and multilateral) and preferential trade policies in Europe and the Arctic region
- East Asian (Japan, North and South Korea, also Myanmar, Singapore, Vietnam) foreign affairs and regional diplomacy
- Theories of international organisation (comparative)
- International Political Economy (IPE) theory and economic security
- Non-traditional security studies (war to peace transitions, peacekeeping)
- South Pacific politics and development (Australia, New Zealand, Polynesia, Melanesia)

Current Projects at NUPI

- China's free trade and economic diplomacy in Europe
- China in the Arctic – economic and strategic considerations
- Russian Far East – China and East Asian relations
- Comparative Asia-Pacific non-traditional security
